

Central Jersey Genealogical Club

MONTHLY MEETING

DATE: August 8, 2017

TIME: 7:00 PM

SPEAKER: Françoise Lampe

TOPIC: Genealogy in France and in
the French Province of Quebec

The focus is on sharing my research experience and identifying resources available on line to locate French and French Canadian ancestors. Born and raised in the Champagne region of France, Françoise Lampe has researched her ancestors dating back to the early 1600's. Her research has taken her to the French National Archives in Paris and to her region departmental archives.

She participates in the genealogy programs at Founders Hall in Ridgefield, CT and is a member of the Genealogy Club of Newtown, CT.

In addition to researching her own French roots, Françoise has done extensive research on her husband's German ancestors. She has shared that experience and lectured on researching both German and American online resources and on techniques to use in overcoming some of the unique challenges of German genealogy.
