

# **CENTRAL JERSEY GENEALOGICAL CLUB SPEAKERS**

## **DON'T FORGET THE LADIES**

### **...FINDING AND IDENTIFYING THE WOMEN IN YOUR PAST**

Female Ancestors are of great importance as they are the keepers of family traditions, heirlooms, photographs, memories, stories and records. Finding and identifying them through a variety of source records may lead to a greatly enhanced family history

Nancy C. Nelson and Carol M. Sheaffer

## **GENEALOGY...GET READY, GET SET, GET GOING!**

Informational and motivational presentation on how to get started in genealogy and where to go once started to learn and research.

Nancy C. Nelson and Carol M. Sheaffer

## **GENEALOGY RESEARCH TOOLS: HIGH TECH/LOW TECH**

Discussion with examples of both high and low tech tools that can be used in genealogical research to locate information, to develop research plans, and to organize and preserve data

Nancy J. Feryok and Carol M. Sheaffer

## **INTERNET RESEARCH...REALLY FINDING WHAT YOU REALLY WANT**

Provides tips for genealogical research on paid and free websites and emphasizes use of the internet not only to retrieve data but as a tool to break through Brick Walls. Research examples using the internet as such a tool are presented and illustrate how some genealogy research problems can only be solved via the internet.

Regina H. Butterer, Nancy C. Nelson and Carol M. Sheaffer

## **ONLINE MILITARY RECORDS...FINDING GENEALOGICAL TREASURES IN MILITARY AND PENSION RECORDS**

Internet availability of military records, free and by subscription, from all wars will be discussed and specific records will be used to demonstrate their use in family history research

Nancy C. Nelson and Carol M. Sheaffer

## **WHEREVER DID I PUT IT?**

Collecting data on ancestors is fun and exciting but organizing that data can become a daunting task. Methods for organizing genealogical data will be discussed along with the benefits of doing so – better utilization of data and improved research planning
